Karen Brown, Jamie Brown and Karin Weil represented the EU-LAC-MUSEUMS project at the “Europe as a Global Actor” conference held in the European Commission buildings in Brussels, on 03 December 2016. The aim of the conference was to bring together consortia currently funded under this stream of Horizon2020 programme. Training was also provided in matters of data Management, Ethics and other aspects of project management. Networking was also a valuable part of the event, and we made contact with our “sister” project, EU-LAC Focus: <http://eulac-focus.net>
