Team Portugal went to the south of Portugal to document community museums. We collect the testimonials of professionals and communities in the museums of: Entradas, São Brás de Alportel, Mértola, São Domingos, Serpa e Aldeia da Luz. Museums located in the interior of the country, ancient towns with a small population, where the museums have an important and active role in the social development of the local communities.

El equipo portugués viajó al sur de Portugal para documentar varios museos comunitarios. Se han recogido testimonios de profesionales e comunidades en los museos de: Entradas, São Brás de Alportel, Mértola, São Domingos, Serpa e Aldeia da Luz. Museos ubicados en el interior del país, en pueblos con una población pequeña y muy envejecida. En estos casos los museos tienen un rol importante y activo en el desarrollo social de las comunidades locales.
